

Procom - Recognized by Branham 300 for Industry Leadership

 Toronto, May 15, 2010

Branham Group published its annual Branham 300 List and Procom was recognized as a leader in its industry for another consecutive year.

On the list announced Procom was named 6 on the list of the Top 25 It Professional Services Companies and 22 on the list of the Top 250 Canadian Tech Companies, taking the number one spot amongst its competitors.

Published annually in Backbone Magazine and circulated in the National Post, the Branham 300 List recognizes Canada's best performing Information Technology firms. The rankings, which are based on revenue growth, recognize Canadian IT firms for their strong performance and industry leadership. It is considered one of the premier industry performance metrics.

"Recognition by Branham is a significant honour" says Procom's President & CEO Frank McCrea. "We believe that our commitment to integrity, flexibility and responsiveness has created a strong foundation upon which our company is built and it is this strong foundation that allows Procom to leverage its core competencies and experience continued growth."

Procom - Procom Consultants Group is a leading IT Staffing & Project Solutions firm in North America and for 4 consecutive years has been named one of the 50 Best Managed Companies in Canada. Procom has 12 office locations, over 2800 IT Consultants and is responsible for the delivery of hundreds of IT projects annually. Procom offers its clients customized services in IT Staffing, Payroll Administration, and IT Project Solutions.
