

Procom – Innovators in IT staffing select Ahead Technology

Procom an Official ITIL Accredited Training Associate.

Toronto, ON 01/19/2010

Ahead Technology announces today that Procom, a leader and innovator in the IT staffing industry and Ahead Technology have signed an agreement whereby Ahead Technology will provide Procom with instructor-led, virtual classroom and e-learning ITSM (Information Technology Service Management) related training solutions which will be made available to Procom consultants and clients throughout North America. In addition Procom will tap into Ahead Technologies pool of highly skilled ITSM practitioners to provide additional skills resources to their clients.

Under this agreement Procom will become a Loyalist Certification Services (LCS) ITIL® (Information Technology Infrastructure Library) Accredited Training Associate (ATA) sponsored by Ahead Technology allowing Procom to offer a full suite of accredited ITIL®, Cobit®, and ISO/IEC 20000® training programs developed by Ahead Technology to their consultants and clients.

“With Procom’s experience as a leading IT staffing organization, they have the in-depth understanding of roles and responsibilities that IT Service Management resources have. This understanding uniquely positions Procom to assess and recommend the right ITIL training certificate program to both individuals and across the organization.” says Nasser El-Batal, CEO of Ahead Technology. “In addition to providing IT Service Management experts, Procom will play a critical roll in transferring knowledge to the clients’ workforce.”

“ITIL best practices help our clients to better align their IT and business goals; to strategize, design, transition and operate IT services that support those goals, and enhance the efficiency of day-to-day operations to deliver high-quality and continually improved services”, says Frank McCrea, President of Procom, “Knowledge transfer through a fully accredited training program benefits both individual consultants and the clients that rely upon them.”
